We believe in Prayer. Prayer is speaking with God the lifting of our minds and hearts to Him to thank Him for His great blessings, to ask His protection, to beg His forgiveness for our sins. The first and greatest of all prayers is the one of Our Lord's own

teaching:
OUR FATHER, who art in heaven, hallowed by Thy name, Thy
Kingdom come, Thy will be done on earth as it is in heaven. Give
us this day our daily bread, and forgive us our trespasses as we
forgive those who trespass against us. And lead us not into temptation, but deliver us from evil. Amen. By the way: The Immaculate Conception of the Blessed Virgin does not mean that she was conceived in a miraculous way as was The Saviour. She was conceived as any other human being, but by a specifil privilege of God her soul was preserved from the stain of Original sin. Her research was preserved from the
